---	--------------------------------

Other Fees

Registration Fee	\$50.00 (for children not enrolled in a childcare program)
Late Pick-up Fee	\$1.00 per minute (with a \$5 minimum charge)
Check Return Fee	\$35.00

Families who currently have children enrolled in a Martha and Mary childcare program will have the enrichment fees added to their monthly invoice. The fees will follow the same payment schedule as the childcare tuition as indicated by the Financial Agreement signed upon enrollment. Sessions occurring during vacation time prearranged with the child's center will be billed at 25% of the regular session fee. Once the month begins, regular sessions will not be refunded.

Families who do not have children currently enrolled in a Martha and Mary childcare program will need to submit payment for the month before their child attends. We must also have a completed enrollment application on file for the child.

Families who receive DSHS or other subsidized childcare are responsible for the full cost of enrichment programs.
