  - a. Paula retooled the letter
  - b. Will send out this week from the committee
3. Delegate/Trustee orientation
  - a. Debrief the excellent orientation – good attendance; they were interested in follow up; regular communications with pastors and delegates – newsletter-y and also ad hoc; timeframe was perfect; would be nice to do tours; also might be well served to do this more than once a year – draw in more experienced delegates and trustees to help
  - b. Elevator speeches – it was a useful exercise for them to think of how they could speak of M&M differently now. Maybe do this at a board meeting, so that board members are challenged to think about what they would say.
4. Fall meeting for delegates etc.
  - a. Presentation about At Home – education for that population that they can help others and we can pay them. And let's people know about in home care. Services and recruitment.
  - b. At home is more companionship and well-being than health. “I need someone to check in on mom.” Activities of daily living. (ADLs) \$29/hour 3 hour minimum is cost; pay is \$11.50-13.70/hr and other rates for additional needs.
