*To Martha & Mary Co-Workers, Leadership and Board of Trustees,*

*My husband I wish to express our appreciation to all of you for the amazing support we received when the 'Portraits of Caring' was auctioned at the 2018 Generations of Care "Black and White" Gala.*

*There are no words to describe how honored and humbled we were at your overwhelming response. Not only with respect for the many donations made to Training and Development via the 'Portraits of Caring' auction, but for the kindness and love that was expressed to us personally throughout the wonderful event.*

*One of Martha & Mary's values is Compassion. The outpouring of love shown to us that night made us speechless. We are so grateful to be surrounded by a community of family and friends that truly exemplify compassion and all that is good in this world.*

*Our entire family thanks you, from the bottom of our hearts, for remembering our beautiful children Heather and Kenny. We look forward to seeing their portrayals painted by gifted artist Max Hayslette.*

*Feeling blessed and so very grateful,*

*Leah*
