Greetings!

We hope this letter finds you safe and well as we gear up for the holiday season.

Many of our friends and families have inquired about how they may help support the 130+ seniors residing at the Martha & Mary Health Center in Poulsbo this coming holiday season. We are beyond grateful for the kindness and generosity of everyone! Thank you!

One of our goals each year is to provide a meaningful and useful Christmas gift to each resident residing with us. While shopping individually for everyone is a challenge, we have identified some items each one of our residents would enjoy and benefit from.

This year, we hope to provide each resident with the following:

- A nice quality (\$15-\$25) throw blanket
- Warm socks with non-skid soles/grippers on the bottom
- And a 2021 wall calendar

To make the shopping easy for those who have an Amazon account, or would like to start an Amazon account, we have created an Amazon Martha & Mary Resident Wish List.

Please visit our Amazon wish list at: <https://a.co/20m2h1W>

You may choose to have these items directly shipped to Martha & Mary Health and Rehab. The blankets will be washed and the items will be carefully wrapped by our team of Holiday Heroes.

Those who wish to shop for blankets, socks, or 2021 calendars outside of Amazon may do so and deliver the donation(s) to the Martha & Mary Health and Rehab building at 19160 Front ST NE, Poulsbo, WA 98370. We hope to have all of the items by December 1st.

We are also welcoming monetary donations to support our Christmas and gift wrapping supplies.

Donations may be made through our website at www.MarthaandMary.org under the **DONATE NOW** link or at:

Please note in the donation **Comment/Designation** box that your donation is for *Resident Christmas supplies*.

Thank you for the generosity you have shown Martha & Mary this year and in years past. The year 2020 has been especially difficult because of the pandemic and the restrictive, but necessary, visiting regulations in our care center. Your generosity reminds all of us of the love this community has for Martha & Mary and those in our care.

Gratefully,
